## **DRAFT PLAN OF CONDOMINIUM APPROVAL APPLICATION SUPPORTING INFORMATION**

---

**File Number:** D07-04-25-0007

### **SITE LOCATION**

585 Bobolink Ridge, and as shown on Document 1.

The site is located within Phase 1 of CRT Development Inc.'s Westwood subdivision, at the northwest corner of Bobolink Ridge and Robert Grant Avenue. The subject site is legal described as part of Block 343 on Plan 4M-1619.

This approval pertains to Phase 2 of the development, which includes Parts 1-38, 73 and 76-77, as shown on Plan 4R-36285.

### **SYNOPSIS OF APPLICATION**

The development consists of a total of eight blocks of three-storey back-to-back townhouses with a total of 72 units. The purpose of the application is to establish a Common Elements Plan of Condominium for Phase 2, which consists of four blocks with 38 units that are accessed by two private ways, known as Siwash Private and Rawah Private. Thirty-eight resident parking spaces and three visitor parking spaces are proposed at-grade to serve Phase 2. The condominium would consist of the private roads, visitor parking, landscaping within common areas and municipal services and utilities.

The development is planned to proceed in phases due to the construction schedule and additional stormwater management requirements, which apply only to Phase 2. As the Condominium Act does not allow phasing within Common Elements Condominiums, this application proposes to establish a condominium solely for Phase 2. A separate Common Elements Condominium will be created for Phase 1, which is scheduled to be constructed first.

Site Plan Control approval (D07-12-21-0130) was provided on January 25, 2023.
