

- GENERAL ARCHITECTURAL NOTES:
1. The drawing is the property of the Architect and may not be reproduced or used for any other project without the written consent of the Architect.
  2. The Architect is not responsible for checking and verifying all levels and elevations and shall report all discrepancies to the Architect and obtain permission prior to commencing work.
  3. Supplementary information regarding the intent of the Contract Documents, including a schedule of work, shall be provided to the Architect.
  4. The Architectural drawings are to be used in conjunction with all other Contract Documents including typical details and the Schedule, Specifications and Technical Drawings.
  5. Portions of exposed or finished decorative or finished devices, fittings and accessories shall be shown in the drawings. Such items shall be shown in the Architectural drawings and shall be shown in the drawings as indicated by the Architect. Components are to be used for construction unless specifically noted to the contrary.
