

An aerial photograph of a residential development. In the center is a large, dark, rectangular area, possibly a pond or a large garden. Surrounding this central area are several houses, some with gabled roofs and others with flat roofs. A road or path runs along the right side of the central area. The overall layout suggests a planned residential community.

IT IS THE RESPONSIBILITY OF THE APPROPRIATE CONTRACTOR TO CHECK AND VERIFY ALL DIMENSIONS ON SITE AND TO REPORT ALL ERRORS AND/OR OMISSIONS TO THE ARCHITECT.

ALL CONTRACTORS MUST COMPLY WITH ALL PERTINENT CODES AND BY-LAWS.

THIS DRAWING MAY NOT BE USED FOR CONSTRUCTION UNTIL SIGNED BY THE ARCHITECT.

DO NOT SCALE DRAWINGS.

An aerial photograph of a residential development. In the center is a large, dark-roofed building complex, possibly a school or community center, with several smaller structures attached. Surrounding this central complex are numerous smaller, single-story houses with light-colored roofs. A winding road or path runs along the right side of the central complex. The overall layout suggests a planned residential area with a central hub.

An aerial photograph of a residential development. In the center, there is a large, rectangular green space, possibly a park or a sports field, surrounded by a path. To the left and right of this central area are several rows of houses, mostly with gabled roofs. Some houses have darker roofs, while others are lighter. The layout suggests a planned community with a central green area.

An aerial photograph of a residential development. A central road runs vertically through the middle of the frame. On the left side of the road, there are several rows of houses, some with garages. On the right side, there are more houses, some with swimming pools, and a larger building that appears to be a community center or school. The houses are mostly white with dark roofs. The road is paved and has some markings. The overall scene is a typical suburban neighborhood.

[illegible]

An aerial photograph of a residential development. In the center is a large, dark-roofed building with several gabled sections and a flat roof area. To its right is a long, low building with a flat roof. Surrounding these central buildings are numerous smaller, detached houses with various roof shapes and colors. The area is paved with roads and parking lots, and there are some trees and landscaping visible.

An aerial photograph of a residential development. In the center is a large, dark-roofed building with a complex layout, possibly a school or community center. It is surrounded by several smaller, detached houses with gabled roofs. The area is paved with roads and parking lots. The overall layout suggests a planned residential neighborhood.

An aerial photograph of a residential development. A central road runs vertically through the middle of the image. On either side of the road are several houses, some with dark roofs and others with lighter roofs. The houses are arranged in a somewhat grid-like pattern, with some larger buildings and smaller structures interspersed. The overall layout suggests a planned residential area.

An aerial photograph of a residential development. In the center, there is a large, irregularly shaped green space with a winding path. Surrounding this central area are several houses of varying sizes, some with dark roofs and others with lighter roofs. The houses are arranged in a somewhat circular or semi-circular pattern around the central green space. The overall layout suggests a planned community or a new housing development.
