Dear Sir,

**Re: Kanata Lakes Commercial Plaza
 5100 Kanata Avenue, Ottawa, ON**

Further to the City of Ottawa's structural queries of 15 October 2019, File Number: D07-12-18-0063, we have the following comments:

Structural Items

City Comment #C3

As it has been proposed that the new roof will be designed with flow control drains to meet the Stormwater Management objectives, please provide a memo signed and sealed from a professional engineer confirming that the roof system will be designed in accordance with the requirements of clause 7.4.10.4 of the 2012 Ontario Building code.

Goodeve Structural Inc. Response #C3

The roof will be designed in accordance with requirements of 7.4.10.4 of the 2012 Ontario Building code, accommodating flow control drains.

Please contact our office if you have any questions.

Yours truly,

Peter Goodeve, P. Eng.
