architect

Contractor to verify all dimensions & conditions on site and immediately notify the departmental representative of all discrepancies.

GENERAL NOTES

- All general site information and conditions compiled from architects and engineer's plans and surveys.
- Do not scale this drawing.
- Report any discrepancies prior to commencing work. No responsibility is born by the Landscape Architect for unknown subsurface conditions.
- Contractor to check and verify all dimensions on site and report any errors and/or omissions to the Landscape Architect.
- Reinstate all areas and items damaged as a result of construction activities to the satisfaction of the Landscape Architect.
- Contractor to layout planting beds, pathways etc. to approval of Landscape Architect prior to any excavation.
- Drawing may not be used for construction until signed by Landscape Architect as issued for construction.
- The accuracy of the position of utilities is not guaranteed.
- Individual utility co. must be contacted for confirmation of utility existence and location prior to digging.
- This drawing is an instrument of service and requires the permission of the Landscape Architect for use. Copyright is reserved by the Landscape Architect, David M. Lashley.

REVISION NOTES

- Revision to loading dock layout. Bike storage and waste / recycling bins are located on the south wall of the loading dock.
- All trees on Wellington Street changed to Celebration Maples (Acer x freemantii 'Coltani')
- All trees on Sparks Street changed to Armstrong Gold Maples (Acer rubrum 'Armstrong Gold' (JFS-KW78))
