Bernie Muncaster for Regional Group completed an Environmental Review for the Citigate Development pre +- 2015 which incorporated Tree Retention Initiatives. Since then this Site has been cleared, Subdivision Infrastructure Installed, Roads, Servicing, Stormwater Facilities and Landscaping, as well as several Buildings. In 2021 Exel Planted Caliper Trees as part of the SPC Landscape Plan for Myers Barrhaven VW – They'd be significantly less that 10cm DBH. Street Trees, If Planted Prior to Development of this site Shall Be Protected as per City Specifications. See Below Screenshots from Geo Ottawa 2014, 2015, 2017, 2019
