Re: 78 Rosemount Ave Inc  
78 Rosemount Ave, Ottawa, Ontario

This is to confirm that exterior building mounted area lighting (excluding decorative façade lighting if applicable) will be designed using full cut-off luminaires, and light trespass will be not greater than 0.5 fc measured at the property line. The proposed privacy fence along the property line will further reduce light trespass to near 0 fc.

Yours truly,

CHORLEY & BISSET LTD.
