COMMENTS

This letter is to confirm that we understand that it has been proposed to use rooftop storage of the mosque addition to meet the stormwater management objectives. Accordingly, we confirm that Lampkin Structural Services are aware that the roof system of the mosque addition will be designed in accordance with the requirements of clause 7.4.10.4 of the 2012 Ontario Building code. More information will be provided during the design phase.

We trust this letter provides sufficient information for your present purposes.

Yours truly,

Omar Abdelalim, P.Eng
