Further to your request, Paterson Group (Paterson) has prepared the current memo to provide our responses to geotechnical city comments (File No. D02-02-23-0022 and D07-12-23-0034), for the proposed multi-storey building to be located at the aforementioned site. The following memo should be read in conjunction with Paterson Group Geotechnical Investigation Report PG4129-1 Revision 2 dated June 20, 2023.

1.0 Comments on Paterson Group Geotechnical Report PG4129-1 Revision 1 prepared by Paterson Group dated May 16, 2023

Comment 1.4: *Report speaks to a 12 storey residential building, whereas the proposal is for a 20 storey building with one level of UG parking. Please amend report, including recommendations, if required, and resubmit.*

Response: The geotechnical report has been updated. Reference should be made to Paterson Group Geotechnical Investigation Report PG4129-1 Revision 2 dated June 20, 2023.

We trust that the current submission meets your immediate requirements.

Best Regards,

Paterson Group Inc.
