Const. Inspector

ale: HORIZONTAL

A horizontal line segment representing a 10m distance. It is divided into four equal parts of 2.5m each by three vertical tick marks. The points are labeled 0m, 2.5, 5, and 10. A thick black rectangular bar is positioned below the line, spanning from the 2.5 mark to the 5 mark.

**NOTE:** The location of utilities is approximate only, the exact location should be determined by consulting the municipal authorities and utility companies concerned. The contractor shall prove the location of utilities and shall be responsible for adequate protection from damage.
