

The map is a topographic representation of a property, likely for a drainage study. It features a central circular area labeled "PRE 7233 0.30". Surrounding this are numerous spot elevations, such as X103.36, X103.42, X103.39, and X103.47. A dashed line delineates the "APPROXIMATE AREA OF ADJACENT PROPERTY DRAINING ONTO SUBJECT PROPERTY". Arrows indicate the direction of water flow, generally moving from the top and left towards the bottom and right. The map includes a north arrow and a scale bar (0m to 10m). Labels for "AUTOPARK DRIVE" and "P.I.N. 15690" are present. Other features include "Snow Pile", "Electric Box", and "Gate". The map also shows a "Depressed Curb" and "Concrete Sidewalk".
