Dear Madame:

**SUBJECT: 349, RUE OLMSTEAD
OTTAWA, ONTARIO
ÉCOLE ÉLÉMENTAIRE CATHOLIQUE
HORIZON-JEUNESSE
OUR PROJECT NO. 2015-394**

We have designed the site lighting for the new two (2) storey elementary school located at 349 Olmstead Street, Ottawa Ontario, in accordance with the following guidelines as requested by the City of Ottawa:

1. It must be designed using only fixtures that meet the criteria for Full Cut-Off (Sharp cut-off) Classification, as recognized by the Illuminating Engineering Society of North America (IESNA or IES), and;
2. It must result in minimal light spillage onto adjacent properties. As a guideline, 0.5 fc is normally the maximum allowable spillage.

Yours very truly,

GOODKEY, WEEDMARK & ASSOCIATES LIMITED
