RE: Review and Acceptance into the Provincial Register of Reports: Archaeological Assessment Report Entitled, “Stage 1 Archaeological Assessment Lots 39, 40, 41, Concession IV, City of Ottawa (Former Township of North Gower, Regional Municipality of Ottawa-Carleton)” Report Dated June 2009, Report Received July 3, 2009. CIF/Licence No. P154-001-2009. MCL File No. 06SB153.

Dear Mr. Humber:

This office has reviewed the above-mentioned report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the Ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.

As the result of our review, this Ministry accepts the above titled report into the Provincial register of archaeological reports. The report indicates that the subject property has archaeological potential and, consequently, should be subject to a Stage 2 archaeological assessment. This Ministry concurs with this recommendation.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Jim Sherratt". The signature is written in a cursive style with a long horizontal flourish extending to the right.
