**RE: Review and Acceptance into the Provincial Register of Reports: Archaeological Assessment Report Entitled, “Stage 4 Archaeological Assessment Mattamy Half Moon Bay South Subdivision Location 1 (BhFw-20), Part of Lot 9, Concession 3 R. F. Location 2 (BhFw-21), Part of Lot 8, Concession 3 R. F. Geographic Township of Nepean now City of Ottawa, Ontario,” Dated December 2010, Received January 11, 2011, MCL Project Information Form Numbers P243-075-2010 and P243-079-2010, MCL RIMS Number 06SB136**

Dear Carla,

This office has reviewed the above-mentioned report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the Ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.

The report indicates two archaeological sites, Location 1 (BhFw-20) and Location 2 (BhFw-21), found on the subject property underwent Stage 4 mitigation involving detailed documentation and removal through excavation and it is recommended that they be considered sufficiently documented. This Ministry concurs with the recommendation that the provincial interest in the archaeological sites identified as Location 1 (BhFw-20) and Location 2 (BhFw-21) has been addressed.

Given the above, this Ministry is satisfied that concerns for archaeological sites have been met for the area of this development project as depicted by Figure 1 of the above titled report.

I trust this information is of assistance. Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Ian Hember
