

An aerial photograph of a residential development site. The site is bounded by a road to the north and a residential street to the east. The existing site contains a large parking lot and a building footprint. The proposed development is shown as a new building footprint and parking lot area, with a curved driveway connecting to the existing road. The surrounding area includes existing residential buildings and a larger commercial or institutional building to the north.

An aerial photograph showing a proposed development site. The site is located between an existing parking lot and a building on the left, and a residential area with many houses on the right. The proposed development is indicated by a white outline, showing a new building and a new parking lot. The surrounding area includes a road, a river, and other buildings.
