Please note: The camera view angle is set at a higher than eye level to illustrate more of the south elevation. The result is additional floors (3 vs 1) appearing to extend beyond the roofline at 149 Daly Ave. Please reference to the following streetviews taken from a pedestrian scale along Daly Ave for a realistic streetview pedestrian experience illustrating the partial top floor appearing above the rooflines along the street.

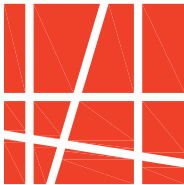

Streetviews from 149 Daly Ave.

Streetviews from 157-161 Daly Ave.

Streetviews from 157 Daly Ave.
