RE: TREE DISCLOSURE REPORT – 25 GRANT STREET

Dear Natalie,

Further to your request, this brief letter report provides a review of the above noted address in terms of tree disclosure information. I can confirm the property holds no trees over 50cm in diameter, nor are there any similar-sized trees on adjacent private property. Further, no trees are present on nearby city-owned land. Consequently, there are no relevant trees to disclose. Please see pictures 1 and 2 on pages 2 and 3 of this report for current site conditions in relation to trees.

Please do not hesitate to get in contact with me if you have any questions or comments.

Yours,

Andrew Boyd
