10.

**Letters of Credit - Renewal**

If the Owner satisfies the provisions of Clause 8 by depositing irrevocable letter(s) of credit with the City, the following provisions shall apply:

(a) Until the Acceptance or Approval of all Works required to be provided and maintained by the Owner pursuant to this Agreement, to the satisfaction of the City, it will be a condition of the letter of credit that it shall be deemed to be automatically extended without amendment from year to year from the existing or any expiration date thereof, unless at least 30 days prior to any such future expiration date, the financial institution which issued the letter of credit notifies the City in writing by registered mail that it elects not to consider the letter of credit to be renewable for any additional period.

(b) Until the Acceptance or Approval of all Works required to be provided and maintained by the Owner pursuant to this Agreement, to the satisfaction of the City, the irrevocable letter(s) of credit shall continue to be automatically extended in the same manner as provided in sub-clause (a) hereof.

(c) If the Owner and/or financial institution fails to extend the letter(s) of credit as required under sub-clauses (a) and (b) hereof as required by the City, such failure shall be deemed to be a breach of this Agreement by the Owner, and the City, without notice to the Owner may call upon any part or the whole amount of the existing letter(s) of credit notwithstanding anything herein otherwise contained.

Any amount received by the City shall be held by the City in the same manner as if it had originally been cash deposited under the provisions of Clause 8.

11. **Failure to Comply**

The Owner acknowledges and agrees that failure to comply with any term or condition herein may result in the City taking such action to enforce compliance, as deemed appropriate by the City.

12. **Implementation of Reports/Studies**

All reports and/or studies required as a result of the Works in this Agreement shall be implemented to the City's satisfaction at the sole expense of the Owner.

13. **Completion Time Limit**

Failure by the Owner to complete all Works required by this Agreement within the time limit specified in Schedule "B" hereof or as extended, in writing, by the Director, Planning and Infrastructure Approvals, at his sole discretion, shall constitute a default, in which case the City may avail itself of the remedies hereinafter prescribed or available to it in law.

14. **Expiry**

If a Building Permit has not been issued within two years of the date of signing of this Agreement by the Owner, the approval inherent herein shall be null and void, at the City's discretion, unless an extension is granted in writing by the Director, Planning and Infrastructure Approvals.

15. **Default**

a) In the event of a default by the Owner or its assigns in the provision and maintenance of all Works required to be done by the Owner pursuant to this Agreement, the City may enter upon the lands and do all Works as are in default, at the expense of the Owner. The City may authorize the use of any or all of the performance deposit(s) held by the City pursuant to Clause 8 to pay for the cost of the City carrying out such Works. "Cost" and "expense of the Owner" in this clause shall be actual cost incurred by the City plus 25% of such cost as a charge for overhead. Any costs incurred by the City pursuant to this clause which are in excess of the amount of any deposit held by the City pursuant to Clause 8 shall be paid by the Owner to the City within 30 days of the mailing of an invoice by the City, for such amount in excess, addressed to the Owner at its last known address. Any costs referred to in this clause may be recovered by the City in like manner as municipal taxes pursuant to the provisions of Section 427, of the *Municipal Act 2001*, S.O. 2001, c. 25 as amended from time to time.

b) The total cost for Works upon which the performance deposit is based, is the sum of the estimated cost of each of the Works to be provided by the Owner, to the satisfaction of the Director, Planning and Infrastructure Approvals, as described in Schedule "B" herein. Nothing contained herein shall be construed as limiting the use of the deposit on a proportional basis in the event of a default by the Owner but rather the whole or such part of the performance deposit, as deemed necessary by the City, may be used to rectify the default.

16. **Release of Performance Deposit**

On Acceptance or Approval of all Works to be provided and maintained by the Owner in accordance with this Agreement, the Owner shall be entitled to have released to it the performance deposit then held by the City.

17. **Partial Release of Performance Deposit**

Once partial release of the performance deposit may be permitted prior to final inspection and Approval as described in Clause 18. Until final release of the performance deposit, the Owner agrees that the City shall retain a minimum performance deposit in an amount that is the greater of 10% of the total amount of the performance deposit required by Schedule "B", or \$5,000.00.

If the performance deposit is less than \$5,000.00, the full amount shall be retained until final release.

18. **Inspection - Release of Performance Deposit**

It is hereby understood that it is the Owner's responsibility to make application to the Director, Infrastructure Services for the inspection of any completed Works for which the Owner wishes the release of a performance deposit. Said application must be submitted at least 60 days prior to the expiry of any letter of credit held as a performance deposit by the City. Inspections for release of a performance deposit will not be undertaken during winter conditions. The City shall use all reasonable efforts to reply to requests for release in a timely manner.

19. **Transfer of Performance Deposit**

The Owner acknowledges and agrees that the City shall hold in its possession the performance deposit until Acceptance or Approval of the Works in accordance with the approved Plans to the satisfaction of the City. The Owner covenants and agrees:

- (a) that it shall be responsible to arrange for the transfer or replacement of the performance deposit provided to the City prior to the sale or transfer of the Owner's lands;
- (b) that if the performance deposit has not been replaced prior to the sale or transfer of the Owner's lands, the City may, to the benefit of the new registered owner, apply the deposit for any Works as approved by the City which have not been completed pursuant to the Plans, and for this purpose, the City Treasurer is hereby authorized to call in letters of credit or other deposit provided. The balance of deposit held, if any, will be refunded to the Owner who provided the deposit, upon Acceptance and Approval of the Works to the satisfaction of the City.

20. **Continued Maintenance after Release of Performance Deposit**

While this Agreement is in effect, the Owner shall maintain all site specific and surrounding landscaping, including all road allowances abutting the lands, so as to provide a neat and tidy appearance, to a standard satisfactory to the Director, Planning and Infrastructure Approvals. Maintenance shall include but not be limited to the regular watering, weeding, and cutting or pruning of all grass, shrubs and trees. All other landscape materials such as fencing and walkway surfaces shall similarly be maintained in a manner satisfactory to the City. All grass, shrubs and trees shall be replaced if they become unhealthy or die. Any vegetation, which by its size or nature creates a hazard or becomes a nuisance, shall be replaced with planting materials approved by the City. All curbs, asphalt, catch basins and other drainage facilities shall be maintained so as to ensure their continued, proper and safe functioning. All traffic aisles, parking stalls and accesses shall be kept free of snow and all painted markings shall be maintained so as to be clearly visible. All other matters and things to be provided and maintained by the Owner pursuant to this Agreement shall be so continually maintained to the satisfaction of the City.

If, in the sole opinion of the City, the Owner has defaulted in the maintenance of the Works to be provided, the Owner shall rectify, to the satisfaction of the City, all such Works as are in default, within 60 days of mailing of a notification by the City addressed to the Owner at its last known address, or within a time deemed reasonable by the City

and stipulated in writing. If, in the opinion of the City, the Owner has not rectified all such Works as are in default after said stipulated time period, the City may enter upon the lands and do all such Works as are in default, at the expense of the Owner. Actual cost incurred by the City in carrying out such Works plus 25% of such cost as a charge for overhead, shall be paid by the Owner to the City within 30 days of mailing of an invoice by the City addressed to the Owner at its last known address or such costs may be recovered by the City in like manner as municipal taxes pursuant to the provisions of Section 427, of the *Municipal Act 2001*, S.O. 2001, c. 25 as amended from time to time.

21. **Relocation of Utilities and Provision of Easements**

The Owner shall obtain approval for, arrange for and pay for the cost of the relocation of any existing utilities which are necessary due to this development to the satisfaction of, and at a time satisfactory to the authority having jurisdiction, together with the granting of such new easements as may be required and the release of any existing easements which are rendered unnecessary.

22. **Release of Plans**

The Owner hereby releases to the City its rights to any approved drawings that form part of this Agreement, for the purposes of tendering the construction upon default of this Agreement. The Owner shall also ensure that appropriate releases to the City are obtained from the Owner's consultants, if required.

23. **Notices**

Any notice required to be given herein shall be in writing and shall be delivered personally or by prepaid registered mail and, if to the City, shall be addressed to the office of the Director, Planning and Infrastructure Approvals at 110 Laurier Avenue West, 4<sup>th</sup> Floor, Ottawa, Ontario, K1P 1J1, or at such other address at which the City offices are located in the future and, if to the Owner or his agent at the addresses provided in the application submitted for approval of the subject development or at such other address as the Owner may advise the City in writing.

24. **Subsequent Parties and Gender**

This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, administrators, successors and assigns, and all covenants and agreements herein contained, assumed by, or imposed upon the Owner are deemed to be covenants which run with and bind the lands and every part thereof. All covenants herein contained shall be construed to be several as well as joint, and wherever the singular or masculine is used, it shall be construed as if the plural or the feminine or the neuter, as the case may be, had been used where the context or the party or the parties hereto so require, and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby rendered necessary had been made.
