**RE: 2475 Regina St – Design Loading for Fire Vehicle Access
Parkway House Development**

RJC No. OTT.132827.0001

This letter is to confirm the design intent and loading to be used for the design of structures supporting fire emergency vehicles for the development at 2475 Regina St .

The suspended slabs and supporting structure accessible to vehicular traffic, including fire emergency vehicles will be designed in conformance with Clause 4.1.5 of the 2012 Ontario Building Code O.Reg 88/19. This will ensure that fire emergency vehicle routes will have unencumbered access.

We trust the above is satisfactory; however, if further information is required please do not hesitate to contact the undersigned.

Yours truly,

READ JONES CHRISTOFFERSEN LTD.

A handwritten signature in blue ink, appearing to read 'James Lee', is written over a faint rectangular stamp area.
