BOUNDARY INFORMATION COMPILED FROM SURVEY RECORDS.

ELEVATION NOTES
1. Elevations shown are geoidic and are referred to the CGVD28 geoidic datum.
2. It is the responsibility of the user of this information to verify that the job benchmark
has not been altered or disturbed and that its relative elevation and description
agrees with the information shown on this drawing.

UTILITY NOTES
1. This drawing cannot be accepted as acknowledging all of the utilities and it will
be the responsibility of the user to contact the respective utility authorities for
confirmation.
2. Only visible surface utilities were located.
3. A field location of underground plant by the pertinent utility authority is
mandatory before any work involving breaking ground, probing, excavating, etc.
