Note B: Topographic Information Within the Clouded Area Taken From Topographical Sketch Prepared by (AOV) Dated June 13, 2022 Updated March 10, 2023

Note B: Topographic Information Within the Clouded Area Taken From Topographical Sketch Prepared by (AOV) Dated June 13, 2022 Updated March 10, 2023

ELEVATION NOTES
 1. Elevations shown are geoidic and are referred to the CGVD08 geoidic datum.
 2. It is the responsibility of the user of this information to verify that the job benchmark has not been altered or disturbed and that its relative elevation and description agree with the information shown on this drawing.

BOUNDARY INFORMATION COMPILED FROM PLAN 4R-28155

Topographic data was collected under Winter Conditions. Snow cover and ice preclude determining location and elevation of some topographic data that is otherwise visible.

NOTE A: Cuts covered by snow on the date of this survey, have been shown per aerial images.
