Attention: Mr. Cutler

MONITORING WELL DECOMMISSIONING
20-22 and 24 Hawthorne Avenue, Ottawa, Ontario

CM3 Environmental Inc. (CM3) has prepared this letter to confirm that the groundwater monitoring wells at the above noted site were decommissioned in accordance with Ontario Regulation 903 by CCC Environmental and Geotechnical Drilling from Ottawa, Ontario on December 11, 2020. A copy of the well decommissioning record from CCC will be forwarded once received by CM3.

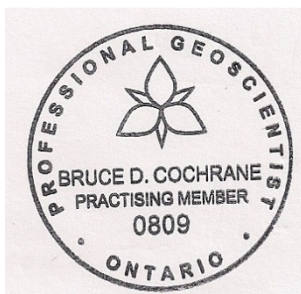

We trust that the above is satisfactory for your purposes currently. Should you have any questions or concerns, please contact either of the undersigned.

Respectfully submitted,

CM3 Environmental Inc.

A handwritten signature in blue ink that reads 'Bruce Cochrane'.
